

## THERE IS A LIGHT

*Seek, and ye shall find.* This saying of the Bible comes to mind when I read the motto, *There is a Light.*

Possibly, all feel the Light in themselves. And every one is looking for that Light. But where can one find it? Where should one knock?

This urge to seek has driven me from an early age. Again and again, I grappled with the question: What is the reason for being? Why am I on earth?

After many attempts to knock, I have found an answer that gives me comfort and meaning to life. This search for the Light has become the meaning of my life.

I have knocked, and lo, the second part of the Bible quotation came true: *Knock, and it shall be opened unto you.*

To shine this Light which is in me and in us all for the sake of my own well-being and for the benefit of all, is a task most pleasant.

I wish to further devote myself to this duty which is my pleasure.
